To: Angie Usery, St. Francois County Inventory Clerk

On behalf of everyone at Palmetto Posting, Inc., I would like to thank you for the opportunity to bid on "The Property Postings For 2021 Tax Sale".

Enclosed are documents for your review. Palmetto Posting, Inc. currently provides delinquent tax notification for multiple counties in four states using our proprietary software and field technology, including St. Francois County. We are confident that you will find that Palmetto Posting provides a professional, efficient and cost effective solution to your delinquent tax posting requirements. As a result of our investment in geospatial IT innovation, we have developed a unique patent pending product that assists your county in providing accurate due process based on your posting protocol. Palmetto Posting is currently the only organization with this unique combination of experience and proprietary technology used to execute delinquent tax notification for client counties and their constituent tax payers.

Palmetto Posting's current infrastructure supports the creation, execution and documentation of up to 5,000 delinquent tax postings per week if necessary. We are fully capable of efficiently and effectively meeting your requirements. We are prepared to continue our services at \$30.00 per parcel on an on-going basis. This is the same price that was in place for 2020. Thank you for your time.

Sincerely,

A handwritten signature in blue ink, which appears to read "Terrence O'Brien", is written over a horizontal line.
