#### Description :

Choose an office chair that makes your workspace a place where you feel good working. The Alera® Elusion® II Series Suspension Mesh Mid-Back Synchro with Seat Slide Chair features comfortable and contemporary design. Its breathable mesh seat and back give you greater air circulation, so you stay cool when your office is warm. Sit back and relax—the synchro-tilt mechanism has a 2-to-1 back to seat angle ratio that keeps your feet on the floor while reclining. Seat slide adjustment allows you to find your ideal seat depth for your height, so it fits your individual needs. Height and width adjustable arms also pivot in and out, enabling you to position your hands and wrists at an ideal angle for typing. Ergonomically designed chair frame encourages proper posture while the height adjustable ratchet back delivers lumbar support, making this an office chair you will enjoy sitting in.

### Description :

Imat

ur co-workers, customers and visitors will find style and performance at their footsteps. These floor mats feature bold, lustrous nylon carpeting and a "picture frame" all-rubber backing. Dust, moisture and grime are stopped at the door. The reinforced border edges increase strength and durability. The innovative backing allows mat to lie flat at edges to ensure stability and help reduce risk of tripping.
