K.I.D.S. (Keep Improving De Soto Schools)
Shall the Board of Education of the De Soto #73 School District, Missouri be authorized to increase the operating tax levy by \$0.5000 to \$3.9052 per one hundred dollars of assessed valuation for the purposes of attracting and retaining quality certified and support staff, maintaining and upkeep of facilities, and meeting additional operating expenses?
If this proposition is approved, the adjusted operating tax levy of the District is estimated to increase by \$0.2500 from \$3.4052, currently, to \$3.6552 per one hundred dollars of assessed valuation for the 2022 through 2024 Tax Year and \$0.2500 from \$3.6552, to \$3.9052 per one hundred dollars of assessed valuation for the 2025 Tax Year and can be applied to the assessed valuation for each year thereafter. The District intends to reduce the debt service levy by \$0.2500 per one hundred dollars of assessed valuation in order to offset the estimated \$0.2500 per one hundred dollars of assessed valuation increase to the operating levy in Tax Year 2025 if this Proposition is approved by the voters.
