This letter is to notify you that your county liquor license will expire on June 30, 2019. According to the Missouri Division of Liquor Control, any business that is issued a state liquor license is required to purchase a county license.

Our office is located in Suite 300 on the top floor of the new Courthouse Annex.

Please bring your state license with you when you come to purchase your county license. You may also renew your license through the mail. BEGINNING August 1, 2019 a 20% LATE FEE will be added to the total cost of license and an additional 10% will be incurred after September 1, and the 1st of each month until license is attained.
