Approval of monitoring landfill wells cost.  
This has to do with closure of the landfill.

- Establishing and Testing of monitoring wells \$61,036.17

Test wells are located around (and in) the area of the old landfill.

These wells will notify us of any leakage of contaminants coming from the landfill. This will go on “forever” and must be done.

This price includes drilling additional wells and setting up a network for testing.

There is only \$13,xxx. available in the SFC environmental corp. fund.  
We will rectify the budget in November to correct this imbalance.

# Permission to apply for MoDOT TAP Grant

- This is for sidewalks, walkways and bike trails.
- It can be used either in the Owl Creek Park area or to form a bike trail from MAC to Farmington.
- We are working on the best collaboration among the principals to get this done.
- \$100,000 to \$500,000 funding amount                      20% match

# Permission to apply

- Land Transportation Partnership grant
- Mo. Dept of Conservation
- This grant is for Owl Creek.
- No limit --- 50% match

# Permission to apply

157555-FY 2023 Protection of Soft Targets/Crowded Places grant

## Emergency Management

- This is for the purchase of a drone to overfly crowds and watch for potential problems.
- Up to \$15,000 no-match required.
- The deadline to apply is near at hand.
