Annual Contribution Election October, 2020

Reminder

Effective January 1, 2003, an additional 4% of compensation was required on behalf of employees hired on or after February 25, 2002, to be directed to CERF. Each county notified CERF of its election to pay the additional contributions either from county funds or through payroll deduction. A county can only change its election one time per year, with the new election becoming effective on January 1. If a county wants to change its current election, it must notify CERF, in writing, at least thirty (30) days prior to January 1.

Please check the appropriate statement below and sign and date this form. Then, email the form to CERF at jellison@mocerf.org or fax it to 573-761-4404 as soon as possible. Please note that after December 1, 2020, you may not make any changes to your 2021 election.

- The County's current election will remain in effect during 2021.
- The County will change how the 4% contribution is paid, as follows:
