# Waiving Penalty & Interest

## Ed Heberlie

Our Collector was not familiar with the issue(s). I wrote this letter to Mr. Heberlie this past week and will wait until further word from him before making this an agenda item in the future.

**A signed copy of this letter will be placed in the minutes.**

Re: Your request for a waiver of penalty and interest on your property taxes

Dear Mr. Heberlie;

I have spoken to our Collector and she is not aware of any problems or issues with your taxes. When you spoke to us in our meeting, you did not detail the problems that you believe are at issue.

We must know what happened and how the County is at fault before we can issue the waiver you requested.

You can contact me via mail or email with your response. A phone call is not the best way as I would need your response in writing for an accurate understanding of the issues.

Please let me know at your convenience on what happened and how the County failed to handle the matter correctly.

Respectfully yours,

Harold Gallaher
