Letter re-sent to  
Mr. Heberlie.

Re: Your request for a waiver of penalty and interest on your property taxes

Dear Mr. Heberlie;

I have spoken to our collector and she is not aware of any problems or issues with your taxes. When you spoke to us in our meeting, you did not detail the problems that you believe are at issue.

We must know what happened and how the County is at fault before we can issue the waiver you requested. Our rules specify that **the COUNTY MUST BE AT FAULT** before any waiver for penalty or interest can be granted.

You can contact me via mail or email with your response. A phone call is not the best way as I would need your response in writing for an accurate understanding of the issues.

Please let me know, at your convenience, what happened and how the County failed to handle the matter correctly.

An earlier letter was attempted to be delivered to you at the 1006 Seckett address in Farmington but was returned.

Respectfully yours,

Harold Gallaher, Presiding Commissioner  
St. Francois County
