Suggested policy

Suggested POLICY for Waivers of Penalty and Interest of Tax bills.

When the fault lies in the County's processing of the tax bill, AND when the taxes are fully paid, the penalty and interest incurred in payment of the tax bill will be waived and notice of this will be included on the CONSENT AGENDA.

If fault lies with the taxpayer and that person wishes to contest the penalty and interest charges, this item must come before the Commission in a regular meeting as an item on the Regular Agenda.

In no event will the penalty and interest be waived unless all taxes are paid in full. Until the taxes are paid, these fees will continue to grow.
