Discussion and possible action

This is a generator at a bank a couple of blocks from here. The black “base” unit is the fuel tank.

Our generators will be diesel powered also.

Renewal of CHUBB insurance on our properties & equipment.

Must be renewed by June 1, 2022.

Coverage is under review. Not all paperwork is in, but basic renewal now (before the deadline) is important.

Storm damage to our new salt shed.

The damage is insured. Our R&B crews are very busy now with other work. We may have to hire this repair out.

Memorial day closings

The County buildings will be closed on Memorial Day, May 30

Memorial Day is to honor those who gave the supreme sacrifice. Veterans Day honors ALL who served.
