TABLED AGENDA ITEM

Status change—

Alter the previous agreement from 4-20-2010 concerning Ridgewood Hills Drive, Ridge Top Road, Sunset Court and Hillcrest Drive to read from partial maintenance to full maintenance.

We have been receiving CART funds for maintenance of these roadways. They are already a part of our 420 miles of county roads.

Note: This is NOT an addition of roads to our list of County Roads. Just a change in the maintenance procedures in order to standardize our system.

Qualified Based Selection (QBS) of Engineering firm

Rather than advertising for new RFQ's (Request for Qualifications) we may use our previously received files from the various Engineering firms that have sent their "catalogs". We chose these top 4 firms from which to make our selection and to prioritize them.

We have selected:

1. Cochran Engineering
2. Brockmiller Construction
3. Smith & Co.
4. SSC

After today's selection, we will negotiate with the firm on the project.

Currently, children from Leadwood walk on this makeshift gravel path to their respective school, a new ADA compliant sidewalk to be constructed on the south side of Hwy M

Sample view—
No streetlights involved.

The kids also walk or ride their bikes on Highway M on their way to the schools.

We will apply for a TAP
(Transportation Alternative Program)
grant to fund this construction.

Currently, children walk on the grass to their respective school, a new ADA compliant sidewalk to be constructed on the east side of Hwy M

The Missouri Attorney General sent this letter to thank **Greg Armstrong** for his work and training to see that the DNA of sexual offenders is included in the national data file.

Thanks, Greg.

MISSOURI ATTORNEY GENERAL
ERIC SCHMITT

Success of the SAFE Kit Initiative depends on active participation from law enforcement agencies just like yours. It is my pleasure to present the Community Partner Award to your department to acknowledge the time and effort devoted to complete the Phase II inventory of sexual assault kits in Missouri. Phase III of the SAFE Kit Initiative will begin in a few months and we look forward to our continued team effort.

The work of your organization has helped us test thousands of kits, producing DNA results uploaded into CODIS, which led to multiple criminal referrals to local prosecutors across the state. Your willingness to assist shows a dedication to your community that is truly remarkable and worthy of this recognition.

Thank you for your commitment and service to our great state, not only in this program, but in the duties you perform on a day to day basis. Should you ever require anything from my office, please do not hesitate to reach out.

Very truly yours,

ERIC S. SCHMITT
Attorney General of Missouri
