- Road & Bridge

Request new hire per statute 473.737.2

- PUBLIC ADMINISTRATOR'S OFFICE

Gary Matheny

2. Each public administrator of a county, except a county of the first classification having a charter form of government, in which a state mental hospital is located, or any county of the second classification which contains a habilitation center operated by the department of mental health and which does not adjoin a county of the first classification shall be entitled to one secretary for one hundred cases or more handled by the office of the public administrator in the immediately preceding calendar year. Each secretary employed pursuant to the provisions of this subsection shall be paid in the same pay range as a court clerk II in the circuit court personnel system. All compensation paid secretaries employed pursuant to the provisions of this subsection shall be paid out of the county treasury and the commissioner of administration shall annually reimburse each county for the compensation so paid upon proper demand being made out of appropriations made for that purpose. The public administrator in such counties may also appoint a person to act as public administrator to serve during the absence of the public administrator.
