Collector's office to be closed

Yesterday and Today

- On these days we will be transferring records from our old (Governmentor) software system to the new (Devnet) system.
- **During the transfer, no new transactions can occur !** The Collector will not accept payment of any kind unless she can enter it into the permanent records immediately. She does not “store” unaccounted money.
- The office will be half-staffed on those days as some of the employees are using comp and vacation days.

Need to call pavement people to correct issue.
